Insurance		Taxes & Licenses		Bank Fees	
Interest		Meals		Education/Training	
Employee Pensions		Travel Expenses (not meals)		Miscellaneous	
Legal & Professional		Utilities			

3. If you have a dedicated office at home, bring costs for rent, utilities, homeowners insurance, mortgage insurance, association fees, and repairs/maintenance on the whole house and/or the office alone. We will also need the square footage of the space used for the office, as well as the square footage of the entire home.
4. If you use your car for your business, please bring year and make of vehicle, when you placed car in service for business purposes, total mileage figures (business, commuting, and personal, and average daily commute if applicable). **You must have a mileage log to deduct mileage.** If you claim actual expenses, please also bring expenses for car insurance, gas, repairs, maintenance, and registration as well as the purchase date and price and all tax returns since its purchase.
5. If your business paid for health insurance for you, please give total amount spent on health insurance premiums.
6. If your business has inventory, provide year end inventory amount, total year inventory purchases less inventory used personally, as well as any labor cost and materials to make inventory if applicable.
7. If you do business in Philadelphia, please provide a breakdown of Philadelphia and non Philadelphia payroll, gross receipts, and business property used as well as your Philadelphia BPT/NPT tax return package.

8. You're your municipality has a Business Privilege Tax, please provide forms.

DEDUCTIONS, TAX PAYMENTS, AND TAX CREDITS

1. Amount and date paid for all federal, state, and local estimated tax payments (exclude penalties) made for the tax year. Also, amount of any state or local tax paid last year for the previous year (including estimated or final return amounts).
2. If you itemize your deductions on Schedule A, bring totals for... medical, prescription, dental, mileage, and eye care insurance and expenses (only need expenses if they are over 7.5% of your total income); deductible mortgage interest and points (please let us know if you refinanced an existing loan and paid points); mortgage insurance on homes purchased after 2006; state and local income taxes (including amounts paid for previous year, during the year for which you are not filing); real estate taxes; charitable contributions (cash, non-cash, and mileage. Must have receipts from charity for amounts over \$250. For under \$250, a cancelled check will suffice. Cash donations without receipts are not allowable. For non cash donations, such as goods or securities given to charity, we need a receipt, the name and address of the charity, the date donated, and the items donated); If you purchased and/or sold personal residences during the year, please provide settlement sheet/s. Please let us know if any of these donations are qualified donations from your IRA.
3. IRA, ROTH IRA, SEP, or SIMPLE IRA contributions you made for the year and type of IRA. ROTH conversions made for the year. Also total amount of ROTH IRA contributions and conversions you have made over the years.
4. If you work and pay child care expenses for your child under the age of 13, bring amount paid and providers name, address, and social security/employer ID number. If you have multiple children, please break down how much was paid for each child. Please note, if only one parent has earned income, no information is needed.
5. Tax documents (1098T) sent to you by institutions for college costs. Please outline break down how much you paid last year (by cash or loan) for cost for last years school or the spring of this year for each child in each of the following categories: 1. tuition/fees, 2. room/board and, 3. Required Books and Fees.
6. If you paid student loan interest, provide form 1098 E or substitute form which lists interest paid.
7. If you adopted a child last year, please provide a list of itemized expenses which were paid both last year and the year before. Also, let us know if the child was special needs and/or foreign. You may qualify for a tax credit.
8. Amount deposited per child into a 529 college savings plan.
9. If you are a minister and have housing allowance, please list all house expenses.
10. If you paid Alimony, please provide the amount paid, the social security number of the person the Alimony was paid to, and the date alimony started
11. If you installed last year qualified energy savings items including solar, wind, and geothermal heat pumps to your home, or purchased an electric plug in or plug in hybrid vehicle, please provide detailed receipts. There may be a tax credit.
12. If you have unreimbursed business expenses as an employee, provide the amount and type of each expense. Included in that. if you have a dedicated office at home at your employer's request instead of office space at your employers office, bring costs for rent, utilities, homeowners insurance, mortgage insurance, association fees, and repairs/maintenance on the whole house and/or the office alone. We will also need the square footage for the entire home and office space used.

Use Tax: Did you buy any items from an out of state vendor (in person or internet) on which you did not pay sales tax to your state of residence? Sales tax is still due on your state return. Pleases provide details on any purchase made on which no sales tax was collected.
